

## Prepare. Prevent. Protect

At InTouch Insurance Services, we are dedicated to protecting your business, preventing loss, and preparing you for a prosperous future.

We take the time to fully understand your business, your goals, and the unique challenges your organization faces.

Our sound insurance and risk management solutions not only protect your business from loss, they give you the sure footing to keep it moving forward.

## Mission

To proactively work with our clients to reduce their Total Cost of Risk and to make them look more attractive to the insurance marketplace.

## Our Goal

Our goal is to find Risk Reduction Solutions for businesses that need and value the resources and expertise that we bring to their organization.

Working with our clients as Trusted Advisors, we become part of their inner circle focused on controlling their Total Cost of Risk. We look to form long-term relationships with potential clients who are willing to invest their time and resources to create a safe and profitable enterprise.

No matter the size of your company we are to help your organization successfully face its challenges when it comes to managing your risks. We will create a risk management program that helps your business achieve the rewards that lie on the other side of risk.

“Our core belief is that clients are best served by providing personal and customized service in an efficient and professional manner.”

## About Us

InTouch Insurance Services is a California Corporation, owned by experienced insurance industry veterans and financial service executives.

InTouch Insurance Services was founded on the premise to serve as an independently - owned insurance broker and advocate to the business community. Our core belief is that clients are best served by providing personal and customized service in an efficient and resourceful manner.

We distinguish ourselves in the industry through our focus on providing the best possible service for our clients and promoting positive relationships with the insurance companies we represent. It is because of this that we can provide meaningful solutions and benefits beyond the offering of most insurance brokers.

A man in a dark suit is captured mid-jump, with his arms raised and a joyful expression. He is positioned on the right side of the frame, jumping over a large, thick, red curved line that arches across the top and right. The background shows a clear blue sky, a body of water, and distant mountains under a soft, hazy light, suggesting a coastal or lakeside setting.
